

Division 5 New Model RR Display Reward Application

Western Reserve Division - Division 5 - MCR – NMRA

Division 5 rewards Division members with a \$50 certificate each time the member builds a new model railroad display and shows it at an accepted public showing.

The purpose of this is to promote model railroading to the public by encouraging Division members to build model railroad displays for public shows and actively promote the hobby.

Div 5 Member Name:	
Date Display Was Shown:	
Event Where Display Was Shown:	
Name Of Display (optional):	
Description Of Display: (attach a picture if possible)	
Overall Size Of Display (Length & Width):	
Estimated Display Area (Square Feet):	
Name Of Witness (Div 5 Member):	

Reward Requirements

- The display must be a model railroad diorama or module in any scale and be at least 1 square foot in area. Multiple modules that are joined together to create a single scene only count as one display.
- The display must be considered “complete” in that all major construction has been completed and scenery is in place.
- All submissions must have been completed within the last year.
- A member may only receive two awards for displays a year.
- Displays which are the property of the Division, or have been partially funded by the Division, are not eligible.
- The Division member, or the group the Division member is part of, must have a sign advertising Division 5 membership and have NMRA pamphlets available.
- Accepted public showings include Division 5’s Railfest, NMRA shows/conventions, and Lake Farmpark events. The Division officers will determine what is an acceptable public showing in addition to those listed. It is the Division member's choice as to which of these events the display is shown.
- The Division officers or their selected representatives have final approval of the awards.
